### **HOLY WAY**

This website is about living consciously in the Holy Trinity, choosing a spiritual path, that we call The Holy Way. The Holyway is the spiritual path that we chose to enter into, more and more fully, throughout our lives. As we awaken to the awareness of the Trinity, we can then decide to seek, find and immerse ourselves more fully in their love. We can develop relationship with each, yet each points to the others, thus we come to know them all and find ourselves enwrapped in their oneness in all aspects of our lives.
